

# STORAGE TANK DISHED ENDS

We can often offer a Straight Flange on hemispheres. Please check with us if you require one.

13mm (1/2") or 26mm (1") centre holes are standard, though some hemispheres can be spun without centre holes.

Thickness up to 10mm (stainless steel) 12mm (mild steel), 20mm (Aluminium) depending on sizes chosen. For further details contact our Sales Office.
