

Dished Only Dishes / Compensation Plates / Dished Plates

Di (mm)	Ri (mm)	Thickness mm	Material
150 - 4500	380 - 3810	3 - 8	Carbon Steel
150 - 4500	380 - 3810	3 - 8	Stainless Steel
150 - 6000	600 - 8500	5 - 50	Carbon Steel
150 - 6000	600 - 8500	5 - 50	Stainless Steel

Dished Only dishes in thickness 5mm and above can be produced without a centre hole.

Otherwise 26mm centre hole is standard.

Dished Only dishes can be produced in a full range of materials.

Because Dished Only dishes do not incorporate a knuckle radius, the overall diameter cannot guaranteed.

The above parameters are for guidance only. Please contact our Sales Office for further details.
